

What is the Secret of Gum Swamp?

Henry had only seen his friends, the Number People, in his dreams. Then he discovered that they lived in the magical, secret world of Gum Swamp. What's more, they needed his help to save Gum Swamp from an evil menace.

Henry's fight to save the numbers and their animal friends involves special powers, a bit of math, and a whole lot of courage. But will that be enough?

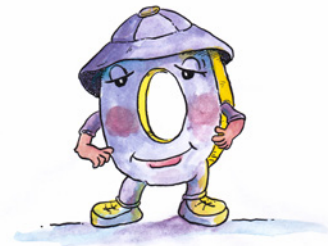

A read-aloud book for ages 5-9.
Paperback: 100 pages

ISBN-10: 0-9908802-0-6

ISBN-13: 978-0-9908802-0-2
